

Upholstery Yardage Chart

Most Upholstery fabric sold in the United States are 54" wide or (~140cm). A small allowance has been made in the charts below for matching. However some stripes, plaids and fabrics with large repeats will require more fabric. **Additional yardage** will be required for arm covers, self lined skirts and attached pillow backs.

Metric conversion: 1 inch = 2.54cm
1 meter = 39.37 inches
